Dear Phil

I write in support of the Heads of the Valley's Innovation Programme (HOVIP) as I understand that you are awaiting confirmation of funding for the foreseeable future.

As a small but growing company based in the valley's we very much appreciate the good work that HOVIP has done in the recent years. In our opinion it is vital that this work continues and we hope that you will pass this view on to the representatives of the Welsh Assembly Government that are reviewing the current position.

We at Penderyn are enjoying a positive and productive relationship with HOVIP and we look forward to continuing with that relationship.

Yours sincerely
