**HOVIP – CONTINUATION OF PROGRAMME.**

I would like to state that Rhymney Brewery LTD, its directors and staff, believe that HOVIP should be granted an extension to continue its innovation / development in the Heads of The Valley area. Without their support our business (T/O 2010 1.2 M) supporting 23 full time jobs, would not be at this stage of growth without the help and assistance of all at HOVIP.

Yours Sincerely

Steve Evans (Managing director)
